What is Badge Warehouse?

The Badge Warehouse is a completely safe, secure and easy-to-use online release program available 24/7. This program is distributor and end-user friendly. Investing in this program allows the user to:

- Check inventory levels.
- Submit names for badge release.
- Track shipment status.
- Download usage reports.

That's It!

This is a prepaid program. No phone calls, faxing or emailing of names, credit card processing, minimum release quantities, or shipping fees. Everything is accounted for and controlled from within the customized Badge Warehouse program.

1 order

- Order extra badges for the future and take advantage of quantity discounts.
- We will store your inventory in the Badge Warehouse and create an online account for your personal access.
- Pre-paid inventory programs save you the hassle of multiple purchase orders or keeping track of inventory on paper.

2 log-on & release

- Our virtual warehouse is always open for you to place an order, check past orders and confirm.
- You can release badges from your online account to be sent directly to the location specified in your original order or to a new location on the fly.
- Order as few as one badge at a time!

3 receive

- Most styles of badges ship within 2-3 business days, add 2 days for doming.
- We guarantee delivery with no hassle. Badges are replaced at no cost if not received within 10 business days of shipment.
- When inventory is released, you'll receive an automatic email with shipment information - no more follow-up phone calls for status!
